Insurance and Fees

The best way to verify that Ammirati Counseling is an in-network provider for your insurance plan is to call the customer service phone number on the back of your card. Let them know that you would like to begin counseling. They can verify your benefits and confirm that Ammirati Counseling is an in-network provider. You may also be able to utilize online provider lookup, if offered by your insurance carrier.

Most insurance plans will cover mental health treatment. Ammirati Counseling accepts most insurance for EAP (Employee Assistance Program) sessions.

As a courtesy, on your behalf, Ammirati Counseling will verify benefits and submit claims. Ultimately, it is your responsibility for payment. Coverage from your insurance company is not an absolute guarantee of payment.

Out-of-Network Benefits

If Ammirati Counseling is not considered an in-network provider for your insurance plan, we will provide you with paid receipts for services to be submitted to your insurance carrier.

If you have any questions regarding your insurance company's out-of-network benefits, call the customer service number on the back of your card. **Payment for all out-of-network clients is due at the time of service.**

Appointment Cancellation Fees

If you must cancel an appointment, contact Ammirati Counseling with at least 48 hours notice. Anyone canceling an appointment with less than a 48-hour notice, will be charged a cancellation fee which may be as high as the full session fee.
